Who: All psychiatrists practicing in and around Mendocino, Lake and Sonoma Counties who are willing to make the drive on a weeknight for personal and professional connections.

Join me for an evening of casual socializing and networking with fellow psychiatrists! This gathering, organized by a local psychiatrist, caters to those of us who have limited chances to connect with peers outside our practices.

If you haven't yet explored the 'Windsor Beverage District,' consider this your invitation to discover one of the newest social hubs in Sonoma County. The area boasts numerous tasting rooms and venues featuring live music, locally produced beverages, and always a food truck or two serving delicious treats. We will meet at Cuver Belgian Brewers, a locally owned brewery specializing in Belgian-style beers, where we have access to a private space. You'll even get a behind-the-scenes look at the brewing process while enjoying one of their delightful creations!

Light appetizers will be provided, and your first drink is on us!

Non-alcoholic options will also be available.

Event underwritten by the Sonoma Mendocino Lake Medical Association
