# Update on Common Oral Diseases

*Faculty:*

**Kamal Al-Eryani, D.D.S., Ph.D.**

*HS Associate Professor of Orofacial Sciences, Chief of Oral Medicine,  
Oral Dysplasia and Oral Oncology and Director, Oral Medicine Postgraduate Program,  
Department of Orofacial Sciences, UCSF School of Dentistry, San Francisco, CA*

*Date:*

**~ Friday, May 17, 2024 ~**

12:00 p.m. Lunch, 12:30–1:45 p.m. Presentation

*Location:*

*~ Providence Santa Rosa Memorial Hospital ~  
Conference Room B and Livestreamed via TEAMS*

**DESIRED OUTCOMES: At the conclusion of this activity, learners will be better able to:**

- Perform a thorough examination of the oral cavity
- Recognize common oral manifestations indicative of system diseases
- Diagnose and treat patients timely, referring to and consulting a specialist when needed
- Identify oral diseases, taking into consideration that some diseases are more prevalent in particular age, ethnic, and gender groups
- Communicate with the patient and/or family about oral disease, taking into consideration any language and/or health literacy barriers
- Reflect on the patient populations most affected by bacteria in the mouth and consider how implicit bias may impact appropriate care of these patients

*The activity content is geared toward Primary Care, Family Medicine, and Internal Medicine Physicians. The educational formats for this activity will be Case Presentation with Learner Participation, Lecture with Q&A Period, and Feedback Provided to Learners via Q&A Period. This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Interpersonal & Communication Skills, Practice-Based Learning & Improvement, and Systems-Based Practice.*

Providence Santa Rosa Memorial Hospital is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

Providence Santa Rosa Memorial Hospital designates this live activity for a maximum of 1.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.25 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of this CME activity enables the participant to earn up to 1.25 Lifelong Learning (CME) MOC points in the American Board of Pathology's (ABPath) Maintenance of Certification (MOC) program.

In accordance with the Americans with Disabilities Act (ADA),  
please call the Medical Staff Office (707) 547-5471 should you require special assistance.
