[CAMPS](#)[CARE](#)[ENRICHMENT](#)[ABOUT ▾](#)[FAQ](#)[REGISTER NOW](#)

When it comes to enrolling in Courses, families will want to click the “Explore All Programs” button under their name which will then provide a drop-down menu.

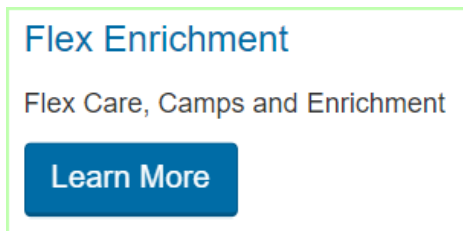

Next step: click on Flex Enrichment.

In the middle of the drop-down menu, all the school districts will appear for them to select and be taken to their school's list of Courses.

Alternatively, they can also “Learn More” over to the right.

There is also the search bar at the top of the Welcome Page that can be used. Families can simply type in their campus name and options will appear.
