BURNING OF THE CANDLE

This United Women in Faith offering is given to honor or memorialize someone special to you, your group or congregation. The suggested amount for 'Burn the Candle' represents funding a minute of all missions of United Women in Faith in that year. We're asking $25/minute in 2025. Our collective honorariums will help fund UWFaith's vital, transformative mission work with women, children, and youth in the United States and around the world.

We will Burn the Candle at the Annual Meeting & Celebration of Horizon Texas United Women in Faith. We hope to burn the candle for 400 minutes.
Anyone can honor a United Women in Faith member and United Women in Faith members can honor anyone! Consider who you might honor in this way.
