

VOLUNTEER SPOTTLIGHT

Adrienne

TEXTLINE VOLUNTEER

Adrienne is a Philadelphia native through and through. When she isn't working as the Administrative Assistant to the Principal at Lower Moreland High School, you can find her in Willow Grove cheering on the Phillies and Eagles, tending to her garden, or spending quality time with her husband, Matt, her two sons, and her beautiful granddaughter, Ella.

Adrienne's journey with Laurel House began through her school community. Lower Moreland holds a deep, personal connection to Nicole's Place, and after participating in numerous fundraisers, Adrienne felt called to take her support to the next level.

For the past 7 months, Adrienne has been a vital part of our Text Line team, providing a lifeline to those in need. She also stepped up as a "Holiday Helper," joining us at the office to pack boxes and spread joy during the season.

Adrienne, thank you for your dedication, your compassion, and for going the extra mile for our community. We are so lucky to have you on the Laurel House team!
