

VOLUNTEER SPOTLIGHT

Anita

LAUREL'S LOFT VOLUNTEER

We are thrilled to introduce a familiar and friendly face to our community, Anita!

A longtime resident of North Wales, Anita has been married to her wonderful husband for 36 years. She is a proud mom of two married sons and an even prouder grandmother! Her journey with us began in 2014 after her youngest son headed off to college. She spotted an article in the newspaper about Laurel's Loft, walked in to offer her help, and has been a vital part of the team ever since.

For Anita, Laurel's Loft is much more than a thrift store: it's a community. Over the last decade, she has found a second home within our organization, fueled by the connections she makes with the staff and those who walk through our doors.

Anita has spent the last ten years creating a welcoming atmosphere for everyone at the shop. She treasures the intimate conversations shared with fellow volunteers while working in the back and the joy of running into old friends browsing the aisles. She especially loves witnessing that "light up" moment when a customer discovers a hidden treasure they truly love. Anita feels fortunate to be part of the Laurel House mission, and we certainly feel fortunate to have her!

Anita, thank you for a decade of kindness, friendship, and dedication. You make Laurel's Loft a truly special place!
