VOLUNTEER

We are so excited to introduce you to a volunteer with a true servant's heart, Janice Smith!

Janice is deeply passionate about helping others and brings that same warmth to everything she does. When she isn't volunteering with us, she is a faithful Sunday Bible School teacher who loves working with children and connecting with new people in her community. Above all, Janice cherishes the time she spends with her family and close friends.

Janice's journey with Laurel House began over seven years ago when she and her husband, Lawrence, decided they wanted to step up and help wherever they were needed most. For Janice, volunteering is about providing a sense of security and hope. "The Laurel House provides a safe place for those in need. I have a deep desire to improve the lives of others by using my volunteering time."

Janice is always looking for new ways to grow her impact, having completed our JARS training to better support those we serve. While she helps in many ways, one of her favorite memories was the Christmas celebration at Trinity Evangelical Church in Lansdale. She shared that seeing the smiles and hearing the laughter of the children was truly priceless.

Janice, thank you for your seven years of dedication and for the joy you bring to our community. We are so grateful to have you and Lawrence as part of the Laurel House family!
