

May's "Lunchtime via Zoom" took flight with Diana Sanchez of the Van Nuys Airport.

We heard about a great new opportunity for our members to participate in a program with Los Angeles World Airport and Van Nuys Airport – the "We Fly As One" program which gives our members the chance to offer a discount of their choosing to employees of both airports. With 55,000 badged employees, this program has the potential to bring new customers/clients to your business. All you have to do is go to [www.lawa.org/laxcr](http://www.lawa.org/laxcr) and register your business. Then, once your business has been confirmed to be a current member of the Encino Chamber you will be sent a window decal to put up in your business. The folks at LAWA & VNY will promote the program to their employees (did I mention there are 55,000 of them?!) and on occasion, they will feature a participating business in their promotions. The program is free for businesses to participate but, you have to be an Encino Chamber member. There are a few other chambers participating but, why would we promote them?

We also had a member of the Kiwanis Entertainment Industry Group attend. She is running for City Council as Councilmember Paul Koretz's term ends in 2022. Kristina Irwin is a mom, a real estate agent, and a daughter of immigrants. She is running for Council District 5 because several issues are near and dear to her heart... education, homelessness, small business, and public safety to name a few. We look forward to hearing more from her and from all the candidates for CD5 as the election nears. As with past elections, the Encino Chamber will put together a candidate forum so that our members can have an opportunity to hear from, and ask questions of, all our candidates.

Next month's "Lunchtime via Zoom" will be on Tuesday, June 15<sup>th</sup> from 11:45 a.m. until 12:30 p.m. Our guest speaker will be Los Angeles City Controller, Ron Galperin.
