Don't want to make an appointment? No problem!

A limited number of vaccines are available at County-run sites for those who don't want to make an appointment. These doses are only available while supplies last and are available through Thursday, April 29th.

You may arrive and register for your vaccine onsite from 9am-4pm at Fairplex, The Forum, CSUN and Office of Education in Downey.

Obregon Park and Balboa Sports Complex will take arrivals without appointments from 8:30-3pm. College of Canyons and Palmdale Oasis Recreation Center have no-appointment-required hours of 11am-7pm.

In order to be vaccinated, you will need to show:

1. Photo ID, and
2. Proof that you live or work in LA County, and

3. Proof that you are age 16 or older.

One document can cover all requirements (e.g. Drivers license)

You do not need to show government issued ID and you do not need to be a US citizen to get a vaccine. You can view the required documentation [here](#).

If you are 16 or 17:

- Look for a site that offers the Pfizer vaccine as that is the only vaccine authorized for 16- and 17-year-olds. You will be turned away if you go to a site that does not offer Pfizer.
- Bring your parent or guardian when you come for your Pfizer vaccine appointment. Minors must be accompanied by a parent or guardian to consent for vaccination.

*Note: People under age 16 cannot get vaccinated at this time because there are no vaccines authorized for use in this age group.

The Pfizer Vaccine is being offered at all County Run Vaccination sites April 26th - May 2nd.
