### BOC GENERAL UPDATES

Total number of Sector calls & telebriefings the BOC has participated in to date: [455](#). Featured telebriefings this week: National COVID-19 Briefing Call, and LACDPH Schools: K-12- Department, Beaches and Harbors, and Elected Officials, City and County Departments.

**September is National Preparedness Month.** EMD has posted updated information and the BOC has launched a business readiness campaign on EMD social media sites. [@ReadyLA](#)

**Emergency Preparedness:** The City's Emergency Management Department(EMD) has tools to prepare Angelinos for the next disaster. These tools are designed for individual, families, neighborhoods and even pets. Information on general preparedness or preparing your neighborhood through RYLAN can be found on the [RYLAN Website](#). EMD will be conducting a 4 part online series for September's National Preparedness Month.

Our [Business Readiness](#) page contains lot of useful and updated information : Resuming Business Toolkit Coronavirus Disease 2019; 7 Steps to a Disaster Resilient Workplace; and LAEDC's Guide to Planning for Business Operations After Earthquake.

BOC continues to meet with business leaders as it is developing a **Technical Advisory Group (TAG)**. This group of business organizations will work with the BOC to provide support, information and situational awareness to the various business sectors and serve as a single point of contact to City leaders and policy makers.

The SoCal Resilient Workplace Webinar will be held on October 8, 10:00 a.m. -11:30 p.m. This is a partnership with FEMA and CalOES. This interactive webinar features live demonstrations and videos, from industry experts and businesses. Attendees will learn how to strengthen their business, develop a disaster plan and they will receive their own free Toolkit. Space is limited. Register [here](#).

**The LA Regional COVID-19 Recovery Fund** is now open to micro-entrepreneurs, small businesses, and non-profits located in Los Angeles County that meet certain criterial. Grants range from \$5,000 to 75,000, depending on the size of the business or non-profit. To learn more, visit [LA Regional COVID-19 Fund](#).

**Here are few tips for business** to stay connected without power in the event of a power outage or a public safety power shutoff resulting from disasters such as wildfires. [Those tips can be found here](#).

BOC Situation Status Report for September 16th – September 22nd, 2020

**The COVID-19 Safety Compliance Certificate Program** is offered for Los Angeles County businesses to voluntarily self-certify that they have implemented COVID-19 Protocols from the Los Angeles DPH. This no cost, online training program demonstrates to the public that a business has complied with required protocols. Upon completion, businesses receive a COVID-19 Safety Compliance Certificate that can be posted on storefronts. The training is available in 13 languages on the Department of Public Health's [COVID-19 website](#).
