

SCAM ALERT!

Gift Cards DON'T Pay Bills

As the name implies, gift cards are for giving a gift. Scammers can use gift cards to steal your hard-earned money. They may call, email, mail, or send a text demanding payment of an imaginary overdue bill, fine, tax or other debt. They will try to convince you to purchase a gift card and provide them with the numbers from the back of the card. In every case, this is a SCAM!

Once you give those numbers from the card(s) to the scammer, the money is gone, and you will not get it back.

Warning Signs:

- You did not call them, they called you
- The caller wants you to do something immediately without talking to someone you know and trust
- They want you to do something that involves your money, computers and/or gift cards

Protect Yourself:

- Don't give personal information if you didn't make the call
- If you owed money, you would not be contacted by telephone or expected to pay over the phone
- Don't open email or answer calls from unknown individuals
