

SUNDAY BREAKFAST

Do you have a favorite breakfast dish that you enjoy making, can be frozen and shared?

If you like to cook, please help us shake things up a bit at our breakfast table!

Here's the plan:

1) You prepare a breakfast dish* at home. It could be anything; an oatmeal bake, sausage and cheese casserole, Grandma's grits, French toast...and bring to church either frozen or ready to freeze.

2) Our childcare team will come early and heat them up to offer for breakfast, along with a few other yummies.

**You may turn in receipts for the ingredients to help with your cost.*

Email cstuckey@saintpauls.org for more details.

Thank you!
