## Asymptomatic Private Testing Procedure

### **Purpose**

---

CSI Pacific in partnership with LifeLabs have entered into a contract to provide Asymptomatic Private Testing to our Sport partners and clients. The purpose of this document is to outline the procedures and requirements for Asymptomatic Private Testing executed through this contract with LifeLabs.

All requests for testing must come through a sport partner or organization. Individual athletes cannot request tests directly to CSI Pacific and must go through their sport or organization to make a formal request.

This document will not provide Public Health advice or recommendations. All general questions, concerns or issues concerning COVID-19, please refer to the Public Health guidelines as outlined by the federal and your provincial government.

## Eligibility

---

### ELIGIBLE

The CSI Pacific Medical Clinic **will provide** asymptomatic COVID-19 testing<sup>1</sup> to National Team<sup>2</sup>, Next-Gen or Provincial (BC) athletes<sup>3</sup>, coaches and other staff that are eligible for testing - **if approved by your sport or organization** - under the following scenarios:

1. [Asymptomatic test required in anticipation to entering a training camp bubble](#); or
2. [Asymptomatic test required prior to domestic<sup>4</sup> or international travel<sup>5</sup> for training or competition](#); or
3. [Asymptomatic test requested upon return to CSI Pacific training facility or offices from domestic travel](#)

### NON-ELIGIBLE

CSI Pacific **will not provide** COVID-19 testing to anyone under the following circumstances:

1. Any individual who will be returning from international travel and is under a Government of Canada order for 14-day quarantine period
2. Any individual that exhibits COVID-19 symptoms
3. Any individual who has been in close contact to someone who tested positive for COVID-19
4. Any individual that requests a test for personal reasons without coordinating with their Sport or organization

---

<sup>1</sup> Samples may be referred to a testing laboratory outside of British Columbia (including the United States)

<sup>2</sup> CSI Pacific identifies national team athlete as a Podium, Canadian Elite or Canadian Development level athletes.

<sup>3</sup> Next-Gen and Provincial athletes must be identified through CSI Pacific nomination process and included on the CSI Pacific Master Targeted Athlete List.

<sup>4</sup> **Domestic Travel:** Refers to travel outside of BC but within Canada

<sup>5</sup> **International Travel:** Refers to travel outside of Canada

Please contact Nitin Tailor ([medical@csipacific.ca](mailto:medical@csipacific.ca)) for any assistance in confirming costs.

<sup>6</sup> There is no Asymptomatic COVID-19 Testing available directly at LifeLabs clinics.

<sup>7</sup> Infrastructure costs are subject to change. Price is inclusive of tax

<sup>8</sup> This is based on cost estimations and actual values may slightly differ.

## BILLING SCHEDULE

Sport Partners must provide payment directly to CSI Pacific for all scheduled tests and will be invoiced after sample collection is complete on a monthly basis.

## METHOD OF PAYMENT

CSI Pacific will accept the following method of payment:

1. Electronic Funds Transfer<sup>9</sup>

Please contact Nitin Tailor ([medical@csipacific.ca](mailto:medical@csipacific.ca)) if you have any questions or concerns about payment methods.

## Testing Schedule

---

Sport Partners should provide a testing schedule to Nitin ([medical@csipacific.ca](mailto:medical@csipacific.ca)) 10 days in advance of testing date and confirm testing schedule 48-72 hours prior to scheduled testing date.<sup>10</sup> Do to the time needed to confirm all appropriate staff and facilities to perform COVID testing, CSI Pacific is unable to guarantee that we can provide testing for requests made for tests less than 10 days from when the proposed tests are to be scheduled.

When making a formal request by email to [medical@csipacific.ca](mailto:medical@csipacific.ca) please use the following subject heading.

## Asymptomatic Test Walkthrough

---

### Prior to Test

1. Sport Partner creates testing schedule.
2. Sport Partner sends testing schedule to CSI Pacific and provides required information as stated in each of the three scenarios.<sup>13</sup>
3. CSI Pacific confirms testing schedule and costs with Sport Partner 72 hours of scheduled test date.

### Day of Test

4. Athletes, coaches or staff arrive at designated testing location no more than 5 minutes prior to your booked time
5. Check in at testing location:
  - a. Victoria: CSI Pacific Tent on back apron
  - b. Whistler: Whistler Athlete Centre
  - c. Vancouver : Vancouver – TBD
6. A CSI Pacific physician or LifeLabs Nurse will conduct the sample collection
7. Follow directions and instructions from individual performing sample collection
8. After sample collection, the sample is transported to a LifeLabs clinic by a LifeLabs official courier or physician.
9. Please return to your car(or other mode of transportation) and go directly home following the test
  - a. If this test is done for travel during the holidays, please return to self-isolation until the results are reported

### After the test

10. CSI Pacific provides invoice for all testing costs to Sport Partner at the end of the month.
11. LifeLabs will communicate all test results to CSI Pacific Medical Clinic within 48-72 hours of test.
12. CSI Pacific Medical Clinic will communicate test results to Sport Partner immediately upon notice. **All positive results will also be reported directly to Public Health BC by LifeLabs**

---

<sup>13</sup> NSO may complete [NSO COVID-19 Testing: Funding Request Form](#) in coordination with CSI Pacific.

## Private Pay Clinics

---

There are some private pay clinics in the Vancouver region that offer testing for a fee to people who require asymptomatic testing for reasons that fall outside of B.C. public health recommendations, as outlined in the SMAC testing guidelines. **CSI Pacific will not assist in coordinating tests via the Private Pay Clinic route.**
