

# HANGING BASKETS 2024

## A Fresh Start to the New Season in Downtown Sharon

Looking forward to a season of increased leisure and business activities in downtown Sharon, the **SHARON BEAUTIFICATION COMMISSION** is again restoring beauty to the area. Major intersections, sidewalks and walkways will host a glorious display of scarlet begonias in **HANGING BASKETS** on lampposts along State Street, Chestnut Avenue and the River Gardens Park walking path.

Won't you continue showing pride in your community by sponsoring a basket with a \$95 donation representing you, your group or company, or perhaps a dedication to a loved one with a tag placed on the lamp post beneath your basket? Every basket will receive the same daily care and attention that you give to your own flower garden, and your donation is tax deductible.

*Payment deadline is April 20, 2024.  
Cost of sponsorship is \$95 per hanging basket.*
