February 2, 2026

Dear Families,

Our local school district is responsible for implementing a federal education program entitled Title I, which offers instructional services to public and private school children who are at risk of failing. The additional instruction provided by the Title I program helps participating children acquire the knowledge and skills they need to meet challenging achievement standards.

We have an opportunity for our children to receive these services, but I need you to complete and return the enclosed Family Survey Form by **Friday, February 6, 2026**. The information you provide will determine the amount of funds the school district has available for these special services. Your answers will be strictly **CONFIDENTIAL**. To protect your confidentiality, names are not required.

This information is very important and it will help our children to participate in the Title I education program. Please help us help your children.

Please return your Family Survey Form to my office in the enclosed envelope marked with my name and "Confidential." I need the form no later than **Friday, February 6, 2026**. Remember that this information is **CONFIDENTIAL**. I will be the only one to read it at the school.

If you have any questions please call me at the school office.

Thank you for all that you do for our children.

Sincerely,

Enclosures
