• Sector plans and Precedent • Location • Size and Scale • Loss of Community Space

Attend the County's Long Range Planning Commission November 28, at 7 pm

The Civic Association voted overwhelmingly against the project. Don't let the County ignore the legitimate concerns and change the zoning. This meeting will help decide if the County will move forward. Attend and let your voice be heard. **Public comments will be at the END of the meeting. Please also sign this petition:**
