Talking Points to Media About Coronavirus

- The health and safety of our students is our top priority so we are naturally concerned about the spread of the coronavirus and the impact it could have on our students and families.

- We have been in contact with our local health department, the Illinois Department of Public Health, our local medical community and are taking steps to ensure we are prepared.

- We have been advised by the Illinois Department of Public Health that normal school activities and extracurricular activities should continue as normal.

- We have informed our students the best way to protect against the coronavirus is to take the same everyday precautions against getting sick, like washing your hands and covering your cough with a tissue.

- We are in the process of developing a plan for an outbreak response to protect the health and safety of our students.
