

ACHIEVE HEALTH MANAGEMENT

COVID-19 TESTING FOR SCHOOLS

ABOUT **ACHIEVE HEALTH MANAGEMENT**

Achieve Health Management is a Clinical Services Company that has decades of innovative healthcare services experience across all channels and classes of trade.

Achieve provides a seamless solution to support schools and other institutions in testing their students, faculty, staff, residents and employees for COVID-19. Achieve has a team of diagnostic experts, as well a CLIA-certified, nationwide laboratory network that analyzes multiple specimen types and reports results within 48 hours. Achieve diagnostic experts will coordinate the entire testing process on your behalf. Achieve Health has the capacity to administer and process high volume PCR testing.
