

What: The HOBY Leadership Seminar

LEADERS ARE NOT SIMPLY BORN. THEY ARE CHOSEN, NURTURED, AND DEVELOPED.

HOBY's flagship program, the State Leadership Seminar (LS), is designed to empower high school sophomores to recognize their leadership talents and apply them to become effective, ethical leaders in their home, school, and community. Your high school's selected student attends our three- or four-day seminar to participate in hands-on leadership activities, meet leaders in your state, and explore personal leadership skills, while learning how to lead others and make a positive impact in the community.

Every spring, nearly 10,000 high school sophomores from across the country are chosen to represent their high schools in HOBY State Leadership Seminars. Your student will have a life-changing experience and develop leadership skills which will serve him/her long into the future!

Location: Ohio Northern University

When: June 8th-11th, 2023

How: Two sophomores will be selected to attend. One student will be given a full scholarship and the other will be given a half scholarship. The full price of attendance to HOBY is \$395. Therefore, the second student that is chosen would have to cover half the cost of \$197.50. If you are not selected for a scholarship and would still like to attend at full cost then you can still be registered by your counselor.

The two students that are selected for the scholarship will be chosen by a committee. The students will need to write a one page essay on:

“Why would you like to attend the HOBY conference and how do you think you could benefit from going?”
