## Corner of Bullsboro and the By-Pass Undergoing Upgrades

Chick-fil-A installs temporary drive thru as they have demolished the dwarf house and are constructing a new Truett's Grill. Across the street is the newly renovated Burger King, due to be finished by mid April.

Above—Long time Building Inspectors retire after many years of service with the City. Bill Blanchard, Commercial Inspector, and Rick Daugherty, Deputy Building Official will surely be missed. Left, 299 Bullsboro elevator shaft has been completed, interior finish-out now under construction for the “Monarch House,” a senior living complex. The building sat vacant for nearly 7 years.
