

1st Quarter 2018

Building Department

Permitting, Plan Reviews, Inspections and Code Enforcement

A Mixed Use Development begins to take shape on Newnan Crossing Boulevard, as a roundabout and park have been constructed. Building permits have been issued for a 14 building, 298 unit apartment complex, with a club house and detached garages. A permit for a Waffle House on the same site has also been issued.

The Monarch House, (left), an assisted living facility, will receive a Certificate of Occupancy this month. A day care unit located in the same building has been in operation for since 2015.

Single Family and Commercial Permit numbers remain steady for the 1st quarter. Multi-Family is up—two apartment complexes with a total of 458 units were permitted this quarter. Two more complexes are in the planning phase.
