MTSD Survey
Respondents

- MTSD Employees
- Current MTSD Parents/Guardians
- Community Residents (Not Current Parents/Guardians)

Why was a survey conducted?

Mequon-Thiensville School District stakeholders were asked to review the district's facility needs, consider possible solutions, and provide input and feedback via a survey. The survey followed the recent work of district leadership and an independent community task force to evaluate the district's facility needs and identify priorities for the community's consideration. The anonymous survey was open from November 19 through December 4, 2019.

↗ 85% believe the district's facility needs must be addressed now

↗ 81% would support a solution that addresses **Enrollment and Growth**

↗ 85% would support a solution that addresses **Safety and Security**

↗ 74% would support a solution that addresses **Outdated Instructional Environments**

What's Next?

Information from the survey will be used by district leaders and the school board to examine solutions that meet district needs, are financially responsible, and move the community forward.
