

Holiday Turkeys Needed

Donated Turkeys Needed!

Loaves and Fishes of Contra Costa serves two special holiday turkey meals -- the day before Thanksgiving and then Christmas Eve at all 5 dining rooms. We expect to serve more than 1,000 people. We need **turkeys donated** so we can provide these much-appreciated meals to our clients.

In partnership with **Let's Feed The Kids**, a multi-faith group of 6 congregations in Contra Costa County focused on alleviating childhood hunger, Loaves and Fishes is also collecting **donated turkeys** for their Winter Break project. This project provides food to school children and their families from 9 Richmond/San Pablo schools during their winter break. Winter break is when these families don't have access to federally-funded breakfast and lunch programs.

Please deliver turkeys to Chef James at our central kitchen located at:

**510 Garcia Ave., Unit H
Pittsburg, CA**
