

St. Boniface Parish Outreach - The San Francisco Police Department is coming to town! For 28 years the CTK School community has been involved in the "Giving Tree" Project. Each year St. Boniface Parish near St. Anthony's Soup Kitchen in San Francisco enlists our help to share our gifts with the many less fortunate children and adults in the community. This is the 9th year that the San Francisco Police Department has been able to pick up and deliver all the gifts to St. Boniface Parish. On Wednesday, December 19th at 8:00 a.m. they will arrive to pick up the gifts. We are very excited and grateful to have their help and support again this year! **The gifts need to be brought to school wrapped and labeled with the attached paper gift tags. (Please be sure to have the tag secured with tape). Send your gifts to school with your student/students on Wednesday, December 19th at 8:00 a.m.** for the San Francisco Police to pick up the gifts. All are invited to attend.

See the flyer for more gift details. Please have your child/children choose one or more gifts for a Boy, Girl, Infant, Man, or Woman. Please write on the tags below whether the gift item is clothes, toy, or other and specify the size/age on the tag. Label the Man or Woman's gift with size and type of item also. (This helps with the gift distribution at St. Boniface.) **If you need more tags we have extras in the school office.**
