2020 CTK AUCTION & GALA

THE ROARING 20S

Host an Experience for CTK Auction!

What are Experiences?

An event that you participate in and share with a group of people
Bonding, memory-making events for adults, couples and our kids
A super fun way for us to fundraise for CTK

Why do we have Experiences?

Because don't we all want *more* experiences to enrich our lives and our relationships and *less* stuff?
Experiences offer our generous donors an alternative to donating in-kind items

What are the benefits of Experiences?

Raising significant funds to donate to CTK
Community building through shared experiences
Allows more people to participate in our silent auction process

How do you host / sponsor an Experience?

Gather your friends and come up with an idea (your Class Experience Coordinator and the Auction Experience Chairs, Kristina Arch & Eva Baker, can help generate ideas)
Decide if you want the experience to be for kids, adults or families
Set the date, number of people, and location for your experience
Set a budget that will be split between the host families
Complete the Experience Form by DECEMBER 5 on the website at
<https://www.ctkauction.com/donate-experiences.html>

How do you buy an Experience?

Spots will be sold through the auction website <https://www.ctkauction.com/>
Fixed cost per participant, no bidding
Grab your spots quickly because our awesome Experiences will fill!
