DONOR DEVELOPMENT REPORT

Gloucester Catholic Junior Senior High School
Serving Students in Grades 7 through 12

FROM GLOUCESTER CATHOLIC'S ADVISORY BOARD CHAIR

Dear Gloucester Catholic Alumni, Parents & Friends,

It has been a year like no other and one filled with unprecedented challenges and crises. We are living through a moment of uncertainty that has impacted all of us in unimaginable ways. I remain hopeful that better days are ahead, and I believe this too shall pass.

Spring is always a special time of the year at Gloucester Catholic. It is filled with the excitement of our musical, prom, college acceptances as well as baccalaureate and graduation. Each of these events is powerful, filled with meaning and joy. As we all know, this spring at Gloucester Catholic was vastly different. I am incredibly proud of our faculty and staff who made an exceptionally quick and smooth transition to distance learning. They created a virtual platform for our students to have a structured, connected and as normal educational experience as possible. I also want to salute our students who remained engaged in the educational process to the sounding of the final virtual bell. Every member of our school community rose to new and remarkable heights. And to our Class of 2020, I know they will not let us down. Their courageous response and unmatched grit have me very confident that whatever challenges come their way in the future, they will be ready to meet those challenges with the same intensity and spirit they displayed during their final months as Gloucester Catholic students.

When the moment is most daunting, the greatness of people shines through. That is especially true of you, our Gloucester Catholic family. This global crisis is bringing never seen before financial challenges to so many across our globe. Gloucester Catholic is no exception. Our school community is being impacted financially in ways that are unimaginable. We are committed to seeing every student and their family through this moment. When we called on you this spring during our relaunched Philanthropy Week and asked you to make a gift to the Principal's Emergency Relief Fund, you responded with an enthusiasm and intensity that we have never seen before. For the impact you made, I thank you. We are at our most important moment, and we would not be able to sustain without you.

While we had another record-break fundraising year, our work is only beginning. The fallout from this crisis continues to expand. Our families are living in uncertain times with uncertain futures. We are receiving more and more requests for financial aid. Our school community is committed to meeting this unprecedented challenge. As we move forward this year, I am asking each of you to not only support Gloucester Catholic which I know you will do, I am hopeful that you will make Gloucester Catholic your most important charitable endeavor. Your generous support is making an impact and sustaining us at a time when we need you most.

The mission of Gloucester remains the same. We educate our students to be the best versions of themselves and to do so as faithful citizens. Our world needs the leaders we are developing. While we have had to socially distance for too much of this year, I am beyond proud to see us all coming together as one at this defining moment in our school's history.

Warmest regards,

A handwritten signature in blue ink that reads "Tom".

WHO WE ARE

Gloucester Catholic High School Mission

Gloucester Catholic High School empowers young men and women to become faithful citizens and to develop in all aspects of life: spiritual, intellectual, moral, emotional, social and physical.

Our goal is that our graduates continue their education and carry with them a guide for Catholic Christian living: vibrant faith, respect for human dignity, strong belief in the values of family, promotion of justice, service to community and country, and the desire to make a positive difference in society.

Gloucester Catholic High School is enriched by a legacy of Catholic tradition spanning four generations. We draw strength and inspiration from our past as we make an exceptional Catholic education available and accessible to our future leaders.

SUPPORT YOUR PASSION!!! HOW & WAYS TO GIVE

*Every gift to the **RAM FUND** makes a difference. The Ram Fund empowers Gloucester Catholic Junior Senior High School to perpetuate its mission to remain competitive, excellent and unique. Your support of Gloucester Catholic impacts the*

hundreds of students who walk the halls of Gloucester Catholic every day. It is these students who will be our future leaders. Gifts to The Ram Fund provide resources to support financial aid, facility improvements, technology upgrades and critical needs of the institution as determined by school leadership. Your gift makes an impact and is appreciated. You can contact Joseph Calabro, Executive Director of Development, at jcalabro@gchsrams.org or at (856) 456-4400, ext. 226 if you have any questions regarding the “how & ways to give”.

Give Online. Please visit the following link to securely make a gift – www.gchsrams.org and click on Supporting Gloucester Catholic. We accept Visa, MasterCard, Discover and American Express.

Give by Venmo. Gloucester Catholic now accepts gifts via Venmo [@gcramsgiving](https://www.venmo.com/gcramsgiving). It's easy and quick.

Give by Mail. To make a gift by check, please make your check payable to “Gloucester Catholic” and mail back in the enclosed return envelope.

Give by Telephone. You can securely make a gift over the telephone via credit card by calling (856) 456-4400, ext. 218.

DOUBLE or TRIPLE your Gift! A Corporate Matching Gift is an easy and great way to increase the impact of your gift. Many employers sponsor matching gift programs and will match charitable contributions made by their employees. They will also match spouse and retiree contributions in most cases. The Office of Development will help coordinate your corporate matching gift.

Give a Gift in Kind. Gloucester Catholic is always in need of new and used electronic items, office equipment, stationary, etc. This is a great way to make a non-monetary gift and still be recognized.

Establish a Scholars Program. Donor-funded “Scholars Programs” are multi-year philanthropic commitments made by donors to fund partial or full-tuition scholarships for the same student through his or her 9th-12th grade years. This type of scholarship gives a donor the unique ability to impact and influence a student throughout their time at Gloucester Catholic. It is a deeply personal experience for both the donor and student. Annually, there is a formal opportunity for the donor to meet their student(s) and families. Please note that the minimum donation to fund a Scholars Program is \$1,000 annually.

Make a Tax-Deductible Gift from your Individual Retirement Account. If you own an IRA, Required Minimum Distribution (RMD) rules take effect at age 70 ½. Distributions are taxed as ordinary income. This tax can be avoided by using your IRA to make a gift that supports Gloucester Catholic!!! How does it work? The amount (*up to \$100,000 per person*) you send to us directly from your IRA is excluded from your income for federal tax purposes, which means you pay no income tax on that amount. TAX-FREE gifts from IRAs are easy to make and have a profound impact at Gloucester Catholic.

Give a Gift of Stock, Bonds and/or Mutual Funds. Some individuals may get a double tax benefit by giving a gift of appreciated stocks and/or securities that have been held for more than one year. This type of gift could provide greater tax benefit to the donor and does offer an immediate benefit to Gloucester Catholic.

Make a Planned Gift. Have you left Gloucester Catholic in your estate plans? Please let us know so that we can welcome you into the RAM LEGACY SOCIETY and thank you!!! Leaving a bequest is an extraordinary way to impact Gloucester Catholic and future Rams.

Sustain your Gifts. You choose how much you want to donate, and your gift will automatically deduct from your checking or credit card account once a month. This is the easiest, most cost-effective way to help all year long. Remember, a gift of only \$10.00 a month equals \$120.00 per year.
