

## **SCHOLARSHIP PROCESS**

Because of positive alumni engagement, Gloucester Catholic can offer a select number of “named” scholarships on an annual basis to deserving students. A number of these scholarships are awarded to students who demonstrate financial need. At Gloucester Catholic, we are committed to finding ways to make our school affordable and accessible to deserving students who, without scholarship support, would not be able to enroll. In addition, there are scholarships awarded on an annual basis that are merit focused. Merit scholars are students who are considered for their ability to strengthen all aspects of the Gloucester Catholic community and make the most of their Gloucester Catholic experience. These merit scholarships are open to all students, regardless of financial need.
