

## **SLEEPY HOLLOW UPDATE**

Sleepy Hollow welcomes the New Year with open arms! The Sleepy Hollow staff bulletin board showcases ideas from staff members about what the new year will look like, finishing the sentence, "This is your year to...". Needless to say, Sleepy Hollow is full of high hopes and lofty goals!

Nothing helps bring exciting energy to the Sleepy Hollow campus more than having students at school. While families often drop off and pick up work each week, students had a chance to come to school and "smile for the camera". Monday, January 11th, was Picture Day and Sleepy Hollow was thrilled at the chance to stand six feet apart and wave to each other before and after getting their picture taken. Sleepy Hollow enjoyed many announcements made throughout the Monday morning Zoom sessions about classmates actually seeing each other at school.

Finally, students are getting ready to celebrate the life of Martin Luther King, Jr. by learning about his life and understanding the importance of sharing your voice in a peaceful manner.
