GLORIETTA UPDATE

In December, Glorietta's student council led The One Warm Coat Drive and collected over 500 coats which were donated to the Bay Area Rescue Mission in Richmond. Glorietta is proud of its community's generosity!

Glorietta welcomes Stuart House, OUSD Director of Facilities, who will be coming to Glorietta on January 21st to share his civil rights experiences of working alongside Dr. Martin Luther King Jr. in an assembly for our 4th-grade students. Mr. House made quite an impression last year and will once again inspire our students to "Say Something" and be involved in making a difference in their community.

Glorietta's first-ever Talent Show will take place on January 22nd at an all-school assembly and an evening performance for families on January 24th at 6 pm.

Glorietta's Diverse Ability Awareness Week will take place on January 27-31. The week will include a performance by the Urban Jazz Dance Company, which consists of a mix of professional Deaf and Hearing dancers. Throughout the week, teachers will engage students in read-aloud and video discussions and hands-on experiences to raise students' awareness of diverse abilities. The week will culminate with an Interactive Fair on Friday.
