

DEL REY UPDATE

Del Rey students and staff are in full swing with the hybrid schedule. March is a busy month for Del Rey. Our teachers recently enjoyed a grab 'n' go catered lunch from Diablo Foods sponsored by the Parents' Club. We are also in the midst of a food drive in partnership with PantryKids (a non-profit started by two Del Rey students!) and Monument Crisis Center. All of our students are getting involved by hand-packing snack kits for children in need. Del Rey has partnered with Orinda Books to have an offsite book fair this year. We're looking forward to supporting this local business during these challenging times.

Sarah Lee, our cherished Library Technician, is Del Rey's Classified Employee of the Year! Ms. Lee kicked off this school year with a much appreciated library program that has kept our homes filled with books even as campus was closed. She loves helping students find just the right book! Her online "read alouds" are enjoyed by all grades. Thank you, Ms. Lee, for helping us through this school year with lots of wonderful stories!
