**SLEEPY HOLLOW UPDATE**

What a difference a month makes! You can hear happy sounds from all over campus these days as our classes have been filled with hybrid students since February 10th. This has made for a very fast & furious last four weeks! From drop off to pick up, Frontline check-in to iDismissal departure, we are enjoying our time together!

In addition to transitioning to our hybrid model, teachers spent much of February focusing on various grade-level lessons shedding light on and celebrating Black History Month. Students were also able to watch daily videos from Principal Templeton sharing one story each day of February showcasing moments in Black History that changed the world.

We opened March with a Spirit Week celebrating Read Across America. Many students and teachers wore mismatched socks, the color green, a funny hat, wacky clothes, and the always-favorite pajamas. Along with these special theme days, students listened to stories and participated in a variety of classroom activities connecting with each day. Many thanks to our library technician, Ms. Gilbert, for putting fabulous titles together and providing us with recorded read-aloud stories to celebrate the love of reading.

Commemorating Women's History Month, Principal Templeton is once again sharing a video each day. Using the book called *Shaking Things Up*, Mrs. Templeton reads a poem each day and talks about how 14 very remarkable young women changed the world.

Last, but certainly not least, Sleepy Hollow recognizes Kim Shaw as the 2020 Classified Employee of the Year. "Miss Kim" has been working at Sleepy Hollow for 15 years as an Instructional Assistant and a supervisor for the Before and After School Club (B/ASC). Miss Kim considers Sleepy Hollow her "home away from home" and loves to help with anything needed. We are very fortunate to have such a dedicated employee helping to make Sleepy Hollow such a special place.

 **Upcoming Events**:
- **March 15**: Sleepy Hollow Online Auction
- **March 24:** A Kids Play About Racism family education (Zoom)
