

Eighth Grade Families - How to Save Your Child's OUSD Work from Google Classroom

Here is an alternative method for saving your child's work:

- Create a new folder.
- Move all files to that folder. (*CTL + A selects all files, drag & drop*)
- Share that folder with his/her personal Google account. (*limited storage*)
- Log in to personal Google account>click *Shared with me*>right-click folder>click *Add to My Drive* to ensure access to those files in the future.
