Our Weekly Newsletter!

School Attendance Matters!

Every Day Counts at Lake Lure Classical Academy

Why is Attendance Important?

- ✓ **Academic Success** – Students who attend school regularly are more likely to master foundational skills and perform well on assessments.
- ✓ **Building Habits** – Regular attendance builds strong habits that will last a lifetime.
- ✓ **Social Connections** – Being at school helps students stay connected to teachers and classmates.
- ✓ **Every Day Adds Up** – Just 2 absences a month = 18 days a year = nearly **10% of the school year** lost!

What You Can Do as a Parent:

-  Schedule vacations and appointments outside of school hours.
-  Set a consistent bedtime and morning routine.
-  Keep your child home only when truly sick.
-  Reach out to us if you need help with transportation or support.

**Let's work together to make this the best year yet —
one day at a time!**

20-Day Perfect Attendance Challenge

Incentive:

Reward for Students with Perfect Attendance (Days 1–20)
(No absences, no tardies!)

Details:

- Students who are **present and on time** for **all 20 days**
- Recognition during morning announcements & names in a drawing for a special prize

We are doing this challenge to build momentum and highlight the importance of **showing up every day**, especially at the start of the year.

Raptor Care (K–5 After-School Program)

Pick-Up Time:
Until 6:00 PM daily

Cost:

- \$10 per day (per student)
- \$5 for each additional sibling

Stop by the Raptor Care table tonight to register or ask questions!

Beth Kulbacki is our new Raptor Care Director.

Middle School Families:

If there's enough interest, we may be able to offer Raptor Care for middle school students too!

Let us know if you're interested!

A Few Friendly Reminders...

5th Offense: A student's phone will be confiscated by a staff member; parents will be required to pick up their child's phone/devices and conference with the Dean of Students; and the student will be assigned a day of OSS.

What exactly is a Title I School?

A Title I school is a school that receives federal funding under Title I Part A of the Elementary and Secondary Education Act (ESEA). This funding is primarily allocated to schools with a high percentage of students from low-income families. The purpose of Title I funding is to provide additional resources and support to help these students meet challenging state academic standards.

Rutherford County is a Tier I county and one that is designated as the most economically distressed among the state's 100 counties. These counties are identified based on factors like population size, poverty rates, unemployment, and median household income.

LLCA will receive approximately \$100,000 this school year.

Use of these funds last year:

- Tutors and Interventionists in reading and math

Our school-wide goal is to increase reading and math proficiency at all grade levels.

We need your input into how our federal funds should be used this school year.

Please stop by the Title I booth and share with us how you feel these funds should be used.

Also, please pick up a brochure with Title I information regarding your rights as a parent.

Please Make Sure that All Required 2025-2026
Registration Forms are Completed.
