

2020 has certainly been a challenging year for all of us. As we all know, events, especially indoors, are not happening and we do not know when we will be able to start them back up. Because of this we have made the difficult decision to cancel our Community EXPO.

In lieu of an in-person expo this year we are launching a Virtual Expo on Tuesday, September 8, 2020. To give you more exposure, we are partnering with Grandville-Jenison, Caledonia, Wayland, and Wyoming-Kentwood Area Chambers!

To participate, your organization will have its own Expo landing page. Additionally, your organization will be able to choose the category (categories) where your page can be viewed. The categories are: Business & Manufacturing, Food & Beverage Services, Insurance & Financial Services, Health & Wellness Services, Home & Automotive Services, Lodging, Travel & Recreation, Non-Profit, Government & Religious Organizations and Retailers.

Your page may have:

- High Resolution Logo
- Contact Information
 - Name, address, link to your website
- Product, Specials, or informational paragraph (minimum of 100 words or max of 500)
- Up to 16 photos
- Up to 10-minute video promoting your business (links from YouTube, Vimeo or MP4 files accepted)
- Visit: <https://westmichamberexpo.com/> **to preview the Virtual Expo**

Cost:

Member: \$125 per year

Non-Member: \$350 per year

Sign up by December 31, 2020 and your page will run until December 31, 2021. There may be additional charges if you choose to update your page during the year.
