Welcome to the MTCASA Board, Stacy Leighton

Stacy Leighton has over 25 years of administrative and project management experience. Stacy graduated Magna Cum Laude in Business Administration. Prior to coming to the Anaconda Family Resource Center to manage the CASA/GAL program, Stacy has worked for many governmental and publicly owned or operated agencies such as Washington River Protection Solutions and Pacific Northwest National Labs (National Security). Stacy also has experience in human resources with a national law firm and with a public transportation agency that serviced seven cities. Stacy also owns and operates an L.L.C. farm with her family in Opportunity, Montana. Stacy is excited to use her experience and new knowledge to support and grow our local and state CASA/GAL programs.
