Deadline to submit questions: Monday, December 14 at noon

The upcoming availability of a safe and effective COVID-19 vaccine is an exciting development in the fight to get the pandemic under control. Given the possibility that vaccines will be available as early as mid-December, it is important to be informed about the development, safety, efficacy, and equitable distribution of vaccines. Please join us for an opportunity to have your questions answered about forthcoming COVID-19 vaccines.

Moderator:

Erin Shea - Policy Associate with the Center for Public Representation
