Patrick Sheehan, *Renova Energy*

Rancho Mirage Energy Authority is hosting a free community-focused solar seminar. The purpose of the seminar is to educate the community on best practices related to energy efficiency, the state of the solar energy industry and how this relates to solar customers. The seminar will be approximately ninety minutes long and will feature experts from the solar industry.

Agenda

10:00am – 10:10am

Welcome & Opening Remarks

10:10am – 10:30am

Efficiency First

Best practices related to improving energy efficiency.

10:30am – 10:50am

The State of Solar Energy

The state of the solar energy industry, focusing on opportunities and how to effectively address challenges. Additional discussion topics include electricity rate structures and battery storage.

10:50am – 11:30am
