

# Is your NAWBO Chapter looking for new sponsors?

## Our 501(c)(3) can help.

Corporate sponsors with marketing and public policy budgets support your chapter. Those with foundations can also support you through a 501(c)(3).

### Does your Chapter have a 501(c)(3)?

The NAWBO CA Ed Fund can be a resource for you! Connect with us for questions you may have regarding your fund and how to use it.

### Do you have a sponsor who wants to support you but needs to go through a 501(c)(3)?

Here are the easy steps to funding:

○ Ask us for the Grantor Documentation and then provide it to your potential Grantor/Sponsor.

○ Return the completed Grantor Documentation to the Ed Fund.

○ We will verify your Grant Request and ensure it matches your Grantor's Intent.

○ When your grant is complete and the funds have been sent to the Ed Fund, a small management fee will be applied to your grant and the remainder of your funds will be held specifically for your Chapter.

○ When you need the funds, they'll be distributed to your Chapter!
