U.S. Small Business  
Administration

# SBA's Disaster Declaration Makes Loans Available Due to the Coronavirus (COVID-19)

The U.S. Small Business Administration (SBA) is offering designated states and territories low-interest federal disaster loans for working capital to small businesses suffering substantial economic injury as a result of the Coronavirus (COVID-19).

Upon a request received from a state's or territory's Governor, SBA will issue under its own authority, as provided by the Coronavirus Preparedness and Response Supplement Appropriations Act that was recently signed by the President, an Economic Injury Disaster Loan declaration.

*Administrator Jovita Carranza*

# SBA's Economic Injury Disaster Loan Basics

## **What businesses are eligible to apply?**

SBA's Economic Injury Disaster Loans (or working capital loans) are available to small businesses, small agricultural cooperatives, small aquaculture businesses and most private non-profit organizations

### **This includes:**

- Businesses directly affected by the disaster
- Businesses that offer services directly related to the businesses in the declaration
- Other businesses indirectly related to the industry that are likely to be harmed by losses in their community

(Example: Manufacturer of widgets may be eligible as well as the wholesaler and retailer of the product.

# SBA's Economic Injury Disaster Loan Basics

## What is the criteria for a loan approval?

Credit History-Applicants must have a credit history acceptable to SBA.

Repayment-SBA must determine that the applicant business has the ability to repay the SBA loan.

Eligibility- The applicant business must be physically located in a declared county and suffered working capital losses due to the declared disaster, not due to a downturn in the economy or other reasons.

# SBA's Economic Injury Disaster Loan Terms

## How much can I borrow?

Eligible entities may qualify for loans up to \$2 million.

The interest rates for this disaster are 3.75 percent for small businesses and 2.75 percent for nonprofit organizations with terms up to 30 years.

Eligibility for these working capital loans are based on the size (must be a small business) and type of business and its financial resources.

## How can I use the loan funds?

These working capital loans may be used to pay fixed debts, payroll, accounts payable, and other bills that could have been paid had the disaster not occurred. The loans are not intended to replace lost sales or profits or for expansion.

# Economic Injury Disaster Loan Terms

## What are the collateral requirements?

- Economic Injury Disaster Loans over \$25,000 require collateral.
- SBA takes real estate as collateral when it is available.
- SBA will not decline a loan for lack of collateral, but requires borrowers to pledge what is available.

# SBA's Economic Injury Disaster Loan Basics

## What kinds of small businesses can apply?

Examples of eligible industries include but are not limited to the following: hotels, recreational facilities, charter boats, manufactures, sports vendors, owners of rental property, restaurants, retailers, souvenir shops, travel agencies, and wholesalers.

## What other criteria is involved?

The applicant business must have a physical presence in the declared disaster area. An applicant's economic presence alone in a declared area does not meet this requirement. The physical presence must be tangible and significant. Merely having a P.O. Box in the disaster area would not qualify as a physical presence.

# SBA's Working Capital Loans are Different from Other SBA Loans

SBA's Economic Injury Disaster Loan (EIDLs) funds come directly from the U.S. Treasury.

Applicants do not go through a bank to apply. Instead apply directly to SBA's Disaster Assistance Program at: [DisasterLoan.sba.gov](https://DisasterLoan.sba.gov)

There is no cost to apply.

There is no obligation to take the loan if offered.

The maximum unsecured loan amount is \$25,000.

Applicants can have an existing SBA Disaster Loan and still qualify for an EIDL for this disaster, but the loans cannot be consolidated.

# Basic Filing Requirements

- Completed SBA loan application (SBA Form 5).
- Tax Information Authorization (IRS Form 4506T) for the applicant, principals and affiliates.
- Complete copies of the most recent Federal Income Tax Return.
- Schedule of Liabilities (SBA Form 2202).
- Personal Financial Statement (SBA Form 413).

Other Information may also be requested.

Free assistance with reconstructing financial records, preparing financial statements and submitting the loan application is available from any of SBA's partners: Small Business Development Centers (SBDCs), SCORE, Women's Business Centers (WBC), and Veteran's Business Outreach Centers and local Chambers of Commerce.

For the nearest office, visit: <https://www.sba.gov/local-assistance>

# Submit Your Application As Soon As Possible

Recheck the filing requirements to ensure that all the needed information is submitted.

The biggest reason for delays in processing is due to missing information. Make sure to complete all filing requirements before submitting the application and forms.

If more funds are needed, applicants can submit supporting documents and a request for an increase. If less funds are needed, applicants can request a reduction in the loan amount.

If the loan request is denied, the applicant will be given up to six months in which to provide new information and submit a written request for reconsideration.

### STATEMENTS REQUIRED BY LAWS AND EXECUTIVE ORDERS

To comply with legislation passed by the Congress and Executive Orders issued by the President, Federal executive agencies, including the Small Business Administration (SBA), must notify you of certain information. You can find the regulations and policies implementing these laws and Executive Orders in Title 13, Code of Federal Regulations (CFR), Chapter 1, or our Standard Operating Procedures (SOPs). In order to provide the required notices, the following table provides a summary of the various laws and Executive Orders that affect SBA's Disaster Loan Programs. A glossary of terms can be found at Disasterloan.sba.gov.

#### FREEDOM OF INFORMATION ACT (5 U.S.C. § 552)

This law provides, with some exceptions, that we must make records or portions of records contained in our files available to persons requesting them. This generally includes statistical information, disaster programs and other information such as names of borrowers (and their officers, directors, stockholders, partners, and amounts at maturity), the collateral pledged, and the general purpose of loans. We do not routinely make available to third parties your proprietary data without first notifying you, required by Executive Order 12600, or information that would cause competitive harm or constitute a clearly unwaranted invasion of personal privacy.

Freedom of Information Act (FOIA) requests must describe the specific records you want. For information about the FOIA, contact the Chief, FOI/PA Office, 409 3rd Street, SW, Suite 5900, Washington, DC 20416, or by email at [foia@sba.gov](mailto:foia@sba.gov).

#### PRIVACY ACT (5 U.S.C. § 552a)

Anyone can request to see or get copies of certain records that we keep in our files. Any personal information in your file that is retrieved by individual identifier, such as name or social security number, is protected by the Privacy Act, which means requests for information about you may be denied unless we have your written permission to release the information to the requestor or unless the information is subject to disclosure under the Freedom of Information Act. The Agreements and Certifications section of this form contains written permission for us to disclose the information resulting from this collection to state, local or private disaster relief services.

The Privacy Act authorizes SBA to make certain "routine uses" of information protected by that Act. One such routine use for SBA's loan system of records is that when this information indicates a violation or potential violation of law, whether civil, criminal, or administrative in nature, SBA may refer to the appropriate agency, whether Federal, State, local or foreign, charged with responsibility for or otherwise involved in investigation, prosecution, enforcement or prevention of such violation. Another routine use of personal information is to assist in obtaining credit bureau reports, on the Disaster Loan Application, which guarantees for purposes of originated, servicing, and liquidating Disaster loans. See, 69 F.R. 58598, 58617 (and as amended from time to time) for additional background and other routine uses.

Under the provisions of the Privacy Act, you are not required to provide social security numbers. (But see the information under Debt Collection Act below.) We use social security numbers to distinguish between people with a similar or the same name for credit decisions and for debt collection purposes. Failure to provide this number may not affect any right, benefit or privilege to which you are entitled by law, but having the number makes it easier for us to more accurately identify to whom adverse credit information applies and to keep accurate loan records.

Note: Any person concerned with the collection, use and disclosure of information, under the Privacy Act may contact the Chief, FOI/PA Office, 409 3rd Street, SW, Suite 5900, Washington, DC 20416 or by email at [foia@sba.gov](mailto:foia@sba.gov) for information about the Agency's procedures relating to the Privacy Act and the Freedom of Information Act.

#### DEBT COLLECTION ACT OF 1982; DEFICIT REDUCTION ACT OF 1984; DEBT COLLECTION IMPROVEMENT ACT OF 1996 & OTHER TITLES (31 U.S.C. 3701 et seq.)

These laws require us to aggressively collect any delinquent loan payments and to require you to give your taxpayer identification number to us when you apply for a loan. If you receive a loan and do not make payments when they become due, we may take one or more of the following actions (this list may not be exhaustive):

- \* Report the delinquency to credit reporting bureaus.
- \* Offer to accept tax, wage or other amounts due to you from the Federal Government.
- \* Seize the account to a private collection agency or other agency operating a debt collection center.
- \* Suspend or debit you from doing business with the Federal Government.
- \* Refer your loan to the Department of Justice.
- \* Foreclose on collateral or take other actions permitted in the loan instruments.

\*  I have read the Statements Required by Laws and Executive Orders.

If you log out or close your browser now you will need to restart your application.

Disaster Loan Application Progress 1

**STATEMENTS REQUIRED BY LAWS AND EXECUTIVE ORDERS**

**Coastal Barrier Resources Act (Public Law 97-348)**

Applicants whose property has been determined by the Federal Emergency Management Agency's Flood Insurance Rate Maps (FIRM's), to be in a Coastal Barrier Resource Area (COBRA), are ineligible for SBA loan assistance due to Public Law.

The Coastal Barrier Resources Act (Public Law 97-348) prohibits Federal financial assistance to applicants located in the Coastal Barrier System. Consequently, under the provisions of the law, for those applicants in the Coastal Barrier Resource Area, SBA Disaster Assistance is prevented from making any loan for:

(1.) replacement or repair of physical damages or,  
(2.) funds for economic injury losses or,  
(3.) funds for relocations out of the Coastal Barrier Resources Area.

If you are a vacationer, or transient staying in the area on vacation, you may have eligibility for your personal property losses. To establish this eligibility you will be asked to provide documentation of your presence in the area at the time of the disaster and to support that your stay was temporary in nature.

**REAL ESTATE REPAIRS/TEXAS HOMESTEAD LAW**

If you intend to apply for any SBA funds to repair your home or family business, please carefully read and comply with the following. Texas law provides extensive protection for “homestead” property. Homestead property includes your personal residence, and, in many cases, your family business. Texas homestead law directly affects SBA, as well as other lenders, who provide funds for the repair or acquisition of homestead property.

In order for SBA to place a valid lien on homestead property, you and a contractor must: 1) sign a Mechanic's and Materialman's Lien Contract (M & M Lien), Mechanic's Lien Note and Assignment of Mechanic's Lien, before you begin your repairs, and; 2) file the signed contract for record in the County Recorder's office of the county where your property is located. If you are waiting on SBA funds to begin your repairs, SBA will prepare and include all required mechanic's lien documents with your closing papers, if and when your loan is approved.
