Total Maintenance and Operations (M&O) Revenue Comparison for School Districts between Current Law (Model 122) and HB 3 Conference Committee Report (Model 2000)

FISCAL YEAR 2021

Note: All figures below are estimates and are subject to change based on actual and final student counts, property values, and tax effort. Current law amounts reflect LBB Model 122, which is based on available statewide estimates and may differ from local projections. Updates to key source data including student counts, property values, and tax rates may change results significantly.

PLEASE NOTE: Funding does not include funding for the New Instructional Facilities Allotment (\$100.0 million per year), funding for the College Preparation Assessment (\$19.0 million per year), the Certification Examination Reimbursement Allotment (\$19.0 million in fiscal year 2020 and \$22.8 million in fiscal year 2021), or Special Purpose Districts (\$10.6 million per year).

Total Maintenance and Operations (M&O) Revenue Comparison for School Districts between Current Law (Model 122) and HB 3 Conference Committee Report (Model 2000)

FISCAL YEAR 2021

Note: All figures below are estimates and are subject to change based on actual and final student counts, property values, and tax effort. Current law amounts reflect LBB Model 122, which is based on available statewide estimates and may differ from local projections. Updates to key source data including student counts, property values, and tax rates may change results significantly.

PLEASE NOTE: Funding does not include funding for the New Instructional Facilities Allotment (\$100.0 million per year), funding for the College Preparation Assessment (\$19.0 million per year), the Certification Examination Reimbursement Allotment (\$19.0 million in fiscal year 2020 and \$22.8 million in fiscal year 2021), or Special Purpose Districts (\$10.6 million per year).

Total Maintenance and Operations (M&O) Revenue Comparison for School Districts between Current Law (Model 122) and HB 3 Conference Committee Report (Model 2000)

FISCAL YEAR 2021

Note: All figures below are estimates and are subject to change based on actual and final student counts, property values, and tax effort. Current law amounts reflect LBB Model 122, which is based on available statewide estimates and may differ from local projections. Updates to key source data including student counts, property values, and tax rates may change results significantly.

PLEASE NOTE: Funding does not include funding for the New Instructional Facilities Allotment (\$100.0 million per year), funding for the College Preparation Assessment (\$19.0 million per year), the Certification Examination Reimbursement Allotment (\$19.0 million in fiscal year 2020 and \$22.8 million in fiscal year 2021), or Special Purpose Districts (\$10.6 million per year).

Total Maintenance and Operations (M&O) Revenue Comparison for School Districts between Current Law (Model 122) and HB 3 Conference Committee Report (Model 2000)

FISCAL YEAR 2021

Note: All figures below are estimates and are subject to change based on actual and final student counts, property values, and tax effort. Current law amounts reflect LBB Model 122, which is based on available statewide estimates and may differ from local projections. Updates to key source data including student counts, property values, and tax rates may change results significantly.

PLEASE NOTE: Funding does not include funding for the New Instructional Facilities Allotment (\$100.0 million per year), funding for the College Preparation Assessment (\$19.0 million per year), the Certification Examination Reimbursement Allotment (\$19.0 million in fiscal year 2020 and \$22.8 million in fiscal year 2021), or Special Purpose Districts (\$10.6 million per year).

Total Maintenance and Operations (M&O) Revenue Comparison for School Districts between Current Law (Model 122) and HB 3 Conference Committee Report (Model 2000)

FISCAL YEAR 2021

Note: All figures below are estimates and are subject to change based on actual and final student counts, property values, and tax effort. Current law amounts reflect LBB Model 122, which is based on available statewide estimates and may differ from local projections. Updates to key source data including student counts, property values, and tax rates may change results significantly.

PLEASE NOTE: Funding does not include funding for the New Instructional Facilities Allotment (\$100.0 million per year), funding for the College Preparation Assessment (\$19.0 million per year), the Certification Examination Reimbursement Allotment (\$19.0 million in fiscal year 2020 and \$22.8 million in fiscal year 2021), or Special Purpose Districts (\$10.6 million per year).

Total Maintenance and Operations (M&O) Revenue Comparison for School Districts between Current Law (Model 122) and HB 3 Conference Committee Report (Model 2000)

FISCAL YEAR 2021

Note: All figures below are estimates and are subject to change based on actual and final student counts, property values, and tax effort. Current law amounts reflect LBB Model 122, which is based on available statewide estimates and may differ from local projections. Updates to key source data including student counts, property values, and tax rates may change results significantly.

PLEASE NOTE: Funding does not include funding for the New Instructional Facilities Allotment (\$100.0 million per year), funding for the College Preparation Assessment (\$19.0 million per year), the Certification Examination Reimbursement Allotment (\$19.0 million in fiscal year 2020 and \$22.8 million in fiscal year 2021), or Special Purpose Districts (\$10.6 million per year).

Total Maintenance and Operations (M&O) Revenue Comparison for School Districts between Current Law (Model 122) and HB 3 Conference Committee Report (Model 2000)

FISCAL YEAR 2021

Note: All figures below are estimates and are subject to change based on actual and final student counts, property values, and tax effort. Current law amounts reflect LBB Model 122, which is based on available statewide estimates and may differ from local projections. Updates to key source data including student counts, property values, and tax rates may change results significantly.

PLEASE NOTE: Funding does not include funding for the New Instructional Facilities Allotment (\$100.0 million per year), funding for the College Preparation Assessment (\$19.0 million per year), the Certification Examination Reimbursement Allotment (\$19.0 million in fiscal year 2020 and \$22.8 million in fiscal year 2021), or Special Purpose Districts (\$10.6 million per year).

Total Maintenance and Operations (M&O) Revenue Comparison for School Districts between Current Law (Model 122) and HB 3 Conference Committee Report (Model 2000)

FISCAL YEAR 2021

Note: All figures below are estimates and are subject to change based on actual and final student counts, property values, and tax effort. Current law amounts reflect LBB Model 122, which is based on available statewide estimates and may differ from local projections. Updates to key source data including student counts, property values, and tax rates may change results significantly.

PLEASE NOTE: Funding does not include funding for the New Instructional Facilities Allotment (\$100.0 million per year), funding for the College Preparation Assessment (\$19.0 million per year), the Certification Examination Reimbursement Allotment (\$19.0 million in fiscal year 2020 and \$22.8 million in fiscal year 2021), or Special Purpose Districts (\$10.6 million per year).
