

## For All Your Retirement Planning!

## MAKE YOUR RETIREMENT ROCK WITH CIRCLES

Planning for retirement is more than pensions, 401K plans, and financial advisors. It's also about planning **HOW** you want to spend your retirement. If you've ever dreamed about being a drummer in a rock band but never had time to take lessons, Circles can help. Here are just a few other things we can assist you with:

- **Learn a new hobby** - We can help you locate classes and where to find your supplies.
- **Search for retirement communities** - Whether it's an Assisted Living Facility or a 55+ community or something in-between.
- **Travel** - Circles travel experts can help with all the planning and booking for your dream vacation!
- **Continue Education** - Get a degree in history or learn how to weld, we can find the college or trade school that suits you best!
- **Relocation** - If you want to move closer (or further away from) the kids we can help with finding a moving company, local information or temporary housing.
- **Downsize** - We can find a storage facility for you, or arrange for your belongings to be recycled or donated to charity.
- **And much more!**

### What Does it Cost?

- FREE unlimited research and referrals for personal services!
- Only pay for goods that you authorize Circles Concierge to purchase or book on your behalf.

### Plus-One Access:

- You may authorize one person in your personal life as a plus-one to follow up on your requests, or make their requests. Simply email or call with the name of the person you want to grant access.

### How do I make a request?

- Simply call, email or click 24-hours a day, 7-days a week, 365-days a year!
