NOTABLE DATES

- **June 1 - 30: [Pride Month](#)**
- **June 1 - National Nail Polish Day:** National Nail Polish Day primes us with every shade under the sun. Sandals and beaches mean manicures and pedicures, too. Circles can find you an appointment.
- **June 4 - Hug Your Cat Day:** This is the purr-fect opportunity for some snuggle time. Those who don't have any feline companionship may need to litter-ally visit a neighbor or volunteer at a local shelter. Those paw-some critters need some hugs, too. Contact us to find a local pet shelter or how to help.
- **June 7 - VCR Day:** If you still have one of these dinosaurs, you may want to contact us to upgrade your home entertainment equipment. Have VCR tapes you want to convert? We can help with that too.
- **June 14 - Flag Day:** Flag Day honors Old Glory and commemorates the adoption of the U.S. flag on June 14, 1777. The holiday is a day that Americans show respect for the U.S. flag and what it represents - independence and unity.
- **June 19 - Juneteenth:** Also known as Freedom Day, Juneteenth commemorates the end of slavery in the United States. The celebration takes place each year on June 19th, recognizing an event that took place in Texas in 1865. Contact us to learn how you can observe #Juneteenth.
- **June 20 - Father's Day:** Father's Day honors the role fathers play in the family and society. The day recognizes not just fathers, but the father figures in our lives. Check out our Father's Day Gift Guide.
- **June 22 - National HVAC Day:** With the days heating up, June 22nd is a perfect day for National HVAC Tech Day! Don't wait until the hottest day of the year to learn that your A/C is on the fritz. Contact Circles to find a local HVAC tech - and don't forget to thank them!
- **June 30 - Social Media Day:** With the launch of Friendster in 2002 and MySpace in 2003, social media became mainstream. Then 2004 brought the founding of the king of social media, Facebook. Visit us on our [LinkedIn page!](#)
