Handel's MESSIAH

216 hours

Our dancers rehearsed for more than 216 hours to prepare for the performances of *Messiah*.

This is how high in the air Jesus flew at the end of the performance - the height of a basketball hoop!

9.5 feet

50

The number of musicians from the Cleveland Chamber Choir and BlueWater Chamber Orchestra that brought Handel's iconic score to life for the performances.

Props & Costumes

A total of 109 props were used in the show - from golden angel wings to candles and floral garlands to dolls. 18 of those props used were fabric. More than 125 costumes were featured in *Messiah*.

Our Patrons

4,000 patrons from **26 states** attended *Messiah* - with an overwhelming **95% coming from right here in Ohio.**

Veterans & First Responders

Cleveland Ballet welcomed more than **150** local veterans and first responders to *Messiah* through our special hero program.
