

Announcing the New **MARS CLEAN AIR SERIES** Air Curtains

Barrier Protection For Your Buildings

Stop Odors, Pathogens and Virus From Entering with Customers,
Visitors, Patients, Deliveries

atmosphere is everything

Mars HEPAC®

Deploying the power of a HEPA filter which captures 99.97% of microscopic pollutants and particulates (as small as 0.3 microns) and 2-inch pre-filters with a MERV 8 rating, the Mars HEPAC® offers sanitation previously not available from a major provider.

Mars UVC®

With scientifically proven germicidal capabilities and 99.99%-100% surface kill rate via UVC or UVV/UVC bulbs, the Mars UVC® eradicates pathogens, reduces VOC odors, and provides the assurance of superior sanitation.
