Prayer Letter

But you are a chosen race, a royal priesthood, a holy nation, a people for his own possession, that you may proclaim the excellencies of him who called you out of darkness into his marvelous light. – 1 Peter 2:9

We are deeply grateful for every servant of God who joins in His great work. Through this prayer letter, we hope you can know more about our ministry and God's leading in our lives. We plan to update this letter monthly and invite you to stand with us in prayer as we serve the Lord together.

About Us

Hello everyone,

My name is Chiacheng(佳成), and I come from Shuili, Nantou, Taiwan. Shuili is a small town surrounded by mountains and forests. I grew up in this environment, and because of that I have always loved forests more than the ocean. This place has been an important part of my life and growth.

My wife Min (敏雯) and I have been married for seven years, and we have a lovely son named Yile(以樂). This year he will graduate from kindergarten and begin elementary school. Min currently serves at the Eden Social Welfare Foundation as a preacher within the organization. Her ministry includes caring for staff members in the Taichung office, sharing the gospel with colleagues who have not yet come to faith, and also sharing the gospel with vulnerable individuals and families who receive counseling and support from the foundation. Through her work, we continue to see how God can use different fields of service to reach people with His love.

I came to faith in Christ during my university years. Later, after attending two evangelistic meetings, I sensed God's calling on my life more clearly and became willing to dedicate my life to serve Him. Through God's wonderful guidance, I made a significant decision—to leave my stable job as a government employee and enter seminary to prepare for ministry.

I am currently in my third year of the Master of Divinity program at Central Taiwan Theological Seminary, and I will graduate this June. During these years in seminary, God has not only equipped me academically but has also continued to shape my character and spiritual life. Through this journey, I have come to understand my own limitations more clearly and to rely more deeply on God.

After graduation, I will join the TGA ministry program and serve together with their team. I hope that through this new stage of ministry, God will continue to shape me, allowing me to grow in life, ministry, and leadership, while preparing me for the future calling He has for me.

We would also greatly appreciate your prayers for several things:

- Please pray for us as we look for a new home closer to the church. We hope to open our home as a place where brothers and sisters can gather for fellowship.
- Please pray for the young people we are currently caring for and walking alongside, that God would work in their lives and draw them closer to Him.
- Please pray for our son Yile, as he will need to leave his kindergarten and friends because of the move. Pray that he will adapt well to his new environment and school.

Thank you very much for your care and prayers.
