PBSA *Journal* Advertising Policies

- All content is subject to review. PBSA reserves the right to refuse an ad or return an ad for editing at its sole discretion.
- Advertiser is responsible for submitting content by the deadlines.
- Advertisers must not be delinquent in any payments to PBSA.
- Advertisers purchasing at the PBSA member rate must maintain current PBSA membership. If the advertiser does not renew their PBSA membership for the 2022 year, at the time of membership lapse they will be invoiced the difference between the member and non-member ad rates.
- All advertising sales are final. No refunds will be issued for advertiser cancellation or late submission of content.

Invoicing and Payment

Companies selecting advertising must follow the deadlines provided by PBSA staff in order to guarantee the advertising position. Full payment for advertising is due at time of contract. No partial payments are permitted. Advertising will be released if full payment is not received within 30 days, or prior to start of advertising period, whichever comes first.

In order to qualify for the 15% percent discount for a Full-Year (6 issues) of advertising, the Full-Year contract and payment must be submitted no later than the applicable deadline and all 6 issues must fall in the 2022 calendar year.

Ad Placement

Exact ad placement will vary throughout the year. Ad placement is determined by the Journal editor based on the best fit for the content of each issue. The only exception is “Page 2” advertisements, which will always appear on page 2 of an issue. Preference is given to advertisers with a Full-Year (6 issues) advertising contract.

Advertisers may update the ad with each issue as long as advertising deadlines are met. The ad from the previous *Journal* issue will be used if an update is not received by the advertising deadline.

Award System for Journal Advertising

Ad placement for 2022 will be awarded based on advertising points accumulated (Thursday Letter, Journal, Europe newsletter and webinar sponsorships combined). Only the points for the previous two years will count towards ad placement for the upcoming year (e.g. 2022 ads will be based on points earned 2020-2021). The company with the highest number of ad points has the first selection, the company with the second highest number of points has the second selection, and so forth. In the event of a “tie,” the Journal editor will make final placement decisions.

When advertising opens, each company will have a specified timeframe to secure their selection with completed contract and payment (a minimum of 2 business days will be provided). If an advertiser doesn’t secure an ad space during their appointed time they may select advertising during the open period. Ads will be awarded by points until 9 November 2022, at which point advertising will open to all members on a first come first served basis.

Journal advertising points are accumulated as follows:

Full-page – 9 points per ad purchased, or 54 points for full year

Half-page – 4.5 points per ad purchased, or 27 points for full year

One-third-page – 3 points per ad purchased, or 18 points for full year

Page 2 Ad – 11.5 points per ad purchased, or 68.5 points for full year
