## **Vanessa and Vahid Khorsand**

Vanessa and Vahid are lifelong San Fernando Valley residents and have called Encino home since 2015. Vanessa is a California Regional Manager with IMT Residential, a multi-family housing provider. Vahid is an equities analyst with BWS Financial and Vice President of the Los Angeles Citywide Planning Commission. Both Vanessa and Vahid grew up close to their grandparents and make causes supporting seniors a priority.

## **Carol and Stuart Zimring**

For the past 3 decades Carol & Stu have been devoted supporters of ONEgeneration and all of its programs. Carol, a former paralegal and current travel agent, many years ago created the concept for ONEgeneration's SHARE (Sending Help and Real Essentials) Project, which this holiday season provided in-home necessities to over 155 seniors through community support. In addition, every Wednesday afternoon you can find her making CareLine calls to over 20 home-bound seniors.

Stu has spent his entire life in the Valley, having been born and raised in Studio City, and continues to practice Elder Law in Encino. He is a past Board Chair and ongoing Board Member of ONEgeneration and is currently Vice Chair.

## **Relative Caregiver, Grandparents As Parents Program**

ONEgeneration will recognize one of our caregivers who successfully raised four of her grandchildren over the last 15 years. This long journey culminated in her youngest grandson graduating high school & going off to play basketball in college in the fall of 2019.
