ON-DEMAND EDUCATION

Understanding and Responding to Dementia-Related Behavior

Learn about some of the common triggers for behaviors associated with dementia, how to assess the person's needs, and how to intervene effectively.

Transitions in Care

Moving a loved one with dementia into a long-term care community can be emotionally challenging. This program offers tips and support to help caregivers assess needs, explore options, understand coverage and stay involved after the move.

Understanding Alzheimer's and Dementia

Alzheimer's disease is not a normal part of aging. Join us to learn about the impact of Alzheimer's, the difference between Alzheimer's and dementia, stages and risk factors, current research and treatments available, and Alzheimer's Association resources. Closed Captioning (CC) available.
