

## FOOD DRIVE FOR OLDER ADULTS

Due to the recent COVID-19 crisis, ONEgeneration continues to receive an increase in calls/requests from older adults in need of groceries/food. We are working with numerous donors including LA Regional Food Bank & the City of Los Angeles to distribute essential meals to those most vulnerable, however there is a need for additional food products

ONEgeneration has expanded their food bank/distribution program to a weekly Drive-Thru service at their Senior Enrichment Center (18255 Victory Blvd.) every Tuesday at 10 am. It is the goal of ONEgeneration to offer free groceries to anyone in need during the Safer At Home requirements and therefore ONEgeneration is hosting a Food Drive to help support these efforts.

### *Some common items requested:*

- Canned Goods
- Pasta/Pasta Sauce
- Rice/Beans
- Produce
- Fruits

To drop off food items for ONEgeneration's food bank, please call Jenna Hauss (818)-708-6618 or email at [jhauss@onegeneration.org](mailto:jhauss@onegeneration.org) to schedule a pick up/drop-off. Please do not drop off food items prior to speaking with Jenna or a staff member at ONEgeneration

*\*\*All items received are safely and properly handled and sanitized to minimize any risk of COVID-19 transmission to best protect ONEgeneration staff, volunteers, and those accessing the drive-thru food bank.*
