

ONLINE Intergenerational Programs

4-Week Programs "Reclaiming the Art of Conversation".

Sages, join us online connecting generations using Zoom!

As social isolation continues to keep us all at a distance, we say take off your masks and join us for our FREE ONLINE 4-Week Programs. We are happy to help you become "Zoom Savvy" so that you can be a part of the intergenerational conversation this summer.

The lack of authentic conversation and connection is impacting humanity in profound ways. Join us to create community by sharing your life experiences with teens.

Join a Sages & Seekers 4-Week ZOOM Program!
